To

The Chief Secretary to the
Dewan of Mysore.

Sir,

With reference to your Docket No: 14661 ✓
2.7.345-92

dated the 4th March last calling for further information regarding the Chattraam constructed by Police Inspector, Dada Row, at Chintamani, I have the honor to state that the building will be very useful to native Travellers in ordinary circumstances, who do not resort to the Traveller's Bungalow in consequence of their inability to pay halting fees.

2. The chattraam is built of burnt stone and slabs except the Veranda which has a tiled roof. The building will not need any repairs for years to come, except the veranda which requires to be renewed at once.

3. The accompanying plan submitted by the Amildar, shows the nature and extent of the accommodation available in the chattraam.

4. The probable cost of annual repair and maintenance will be about Rs. 60 including the pay of the caretaker of the building.

5. A statement showing the number of letters made and the amount of fees collected from travellers in the 3rd class Bangalow at Chintamani is also enclosed.

6. The chattram in question was hitherto occupied by the Amildars of the Taluk and hence no travellers were allowed accommodation in it. As the founder, being a Government servant, found it difficult to maintain it, he has asked the Government to take it under their management, which request should, in my opinion, be complied with to encourage private charity.

I have the honor to be,

Sir,

Yours most obedient servant,

Thurston
Deputy Commissioner
